What is the Format and Duration of Course?

- This course is a distance learning course which is hosted online.
- Its medium of study and instruction will be English. Almost all resources required for this course will be available via the online classroom. The course has 2 contact classes (full day each) in Month 3. There will be a term ending contact session which would include an evaluation for certification.
- There will be a practicum at the end of the course at Drishti for 2 (full) days.
- The duration of the entire course (including all contact sessions) is 3 months.

Syllabus of the Course:

- **SEN and Inclusion-** Understand the traits of different conditions of special needs in the classroom
- **Psycho-educational Assessment** -Understand the nature & process of Identification and Assessment.
- **Remedial Education -Methodology and Strategies-** Plan and execute intervention for difficulties with Reading, Writing and Math
- **Behaviour Management** - Understanding underlying issues of behaviour concerns and learn classroom behavior management strategies

Will there be any homework and exam/test?

There will be periodic home assignments that you will complete online. These are meant to help you evaluate your learning. Most of you will find them simple and interesting. There will be 2 full-day contact classes (practical training) held at Drishti, Andheri, and an evaluation conducted during Month 3 of the course. Completion of assignments, the contact classes and the evaluation will help you obtain the much coveted certification. The course materials and guidance prepares you adequately to deal with all homework and the final evaluation.

What will this course cost?

The fee for this entire course is Rs. 8,000/- per learner.

Who is offering this course?

Drishti is a professional organization working for the past 2 decades in the field of special education and has established core competencies in the areas of psycho-educational assessments and remedial education of children with LD, AD/HD, Autism and others. Drishti is led by *Dr. Smita Desai, PhD*.
