

# A Certificate Course for Educators, Parents, Counsellors and Psychologists

presented jointly by

**Sampurna Montfort College & Drishti**

## The Training Toolkit- Certificate Courses

The world is changing rapidly, so are the roles and expectations from the children. Therefore to support the holistic development of a child, we as educators, counsellors, parents and caregivers need to become learners. This course will help educators, parents, and psychologists to build the requisite knowledge and basic skills required to work with Special Education Needs children.

### **Learning Outcomes from The “Training Toolkit”**

- To diversify your skill set and develop a greater understanding about the various special education needs of children
- To develop a comprehensive understanding of the specific challenges of 21st Century Child
- To play an active role in the child’s development
- To help all stakeholders including - principals, teachers, parents and students work collaboratively to provide quality education in an Inclusive Environment

### **Who is eligible to do these courses**

- Educators
- Undergraduate and Graduate students (various streams) aspiring to work in schools
- Active school parents or parents of children with special needs
- Psychologists

### **Teaching Methodology**

Course Material comprises of :

- Comprehensive Material available through an LMS Platform
- Discussion Thread for Case Study Discussion and answering queries before the final evaluation
- Video Inputs from Subject Matter Experts

You will be required to devote between 3-5 hours each week on self study. You may set your own pace for the self study.

### **Evaluation & Certification**

There will be a course-end online evaluation for each course that will help you obtain the much coveted certification. The course materials and guidance prepares you adequately for the final evaluation. Certificates will jointly be issued by Montfort and Drishti for each course which is part of the toolkit.

### **Registration Fees**

The fee is Rs.3000/- per course which is part of the Training Toolkit

### **The Training Toolkit is offered by :**

This course is a joint offering by the Sampurna Montfort College and Drishti.

**Sampurna Montfort College**, affiliated to Bangalore University and accredited by NAAC with 'A' Grade is an institute for postgraduate studies offering programs at the Masters and Ph.D. Levels.
